Dear Fellow MAPO Member's & Eye Care Professionals,

Six months ago, I had read a book named 'Blind and Busy - Life Stories of People Who Use Braille' by Rebecca Maxwell.

Two hundred years ago, Louis Braille was born in France. As the bicentenary of Louis Braille's birth approached, vision impaired writer Rebecca Maxwell thought it appropriate to celebrate the anniversary by collating some of the many life stories of Braille users. The result is "Blind and Busy".

The book tells the life stories of 49 people, showing how they use Braille in their life but they are also tales about people struggling with and enjoying life, like everyone else. All of the people interviewed in the book are challenged by their circumstances and each acknowledges the debt they owe to Louis Braille.

As a front liner in eye care with perfect Vision and Sight, can you envision your practice five years from now? What about ten years? What do you want from your practice? Is it money? Sure. But often it is deeper than dollar and cents. What you need in order to find the right answer for you is perspective. Once you see your peers achieving their goals – rejuvenation for practicing opticianry, more patients, staff harmony – You will be able to find the answers and get the result you want.

This year, MAPO wishes to invite you to attend the “**3rd MAPO National Continuing Professional Development**” with the theme of “*Eye Care, We Care*” which will be held on **12th & 13th November 2011 (Saturday and Sunday) at IMPAINA KLCC Hotel, Jalan Pinang, Kuala Lumpur.**

This premier event over two days will consist of updates and current trend in Ophthalmic Dispensing, Optometry and Ophthalmology discipline.

Please take this opportunity to widen and refresh your knowledge from very experienced speakers and interact with fellow Eye Care Professionals. In addition, you will have the opportunity to gain **12 CPD points** from this interesting and beneficial programme.

With the generous contribution from our trade sponsors, we are able to further reduce the fee from RM400 to RM100** (**terms and conditions apply.).

The CPD programme open for 300 attendees on first come first serve basis. Do register early to ensure yourself a seat.

See you there.

Yours Truly,

Walter Chai

Education Chairman
